Camping and glamping

Pengenna Manor

You and your guests can camp for **FREE** for the entire duration of your hire of the Manor in the two acres of river meadows in the valley below which have a capacity of up to 100. Just two minutes walk from the Manor down through the trees these secluded meadows could help you fulfill your dream of a mini festival wedding with all of your friends on site for the whole weekend.

It also has its own separate vehicle access allowing cars, campervans and caravans to be parked up.

You could also arrange for a tent company to erect a whole glamping village to really spoil your guests with large bell tents with proper beds, bedding, towels and toiletries, communal social tents, camp fire areas and even changing tents complete with light up dressing tables! We highly recommend (and your guests can book direct with them):

Watergate

Watergate is conveniently located just 5 minutes walk from the Manor.

The house has an interesting history, starting life as miners accommodation for the Pengenna Lead Silver Mine Company in the 1870's. Today it is very light and airy, set on the valley side with the main windows having a southerly facing aspect. There are four bedrooms - the main bedroom with it's lovely ensuite, a further double bedroom interconnected with a large bunk bedroom, and a twin bedroom, all serviced by a smart family shower room, and accessed via two staircases.

Downstairs the kitchen features a traditional Aga-style cooker, slate flooring and has a high vaulted ceiling with exposed A-frames. A brand new wetroom shower room connects off of the utility room. The dining room flows into the sitting room which is very spacious with three windows looking onto the garden. The garden room beyond links nicely with the garden via French doors inviting you to go and explore. A wall of glass created by a series of windows provides lovely vistas over the lawns in this room. As well as

the extensive three acres of grounds to explore there is plenty of off-road parking.

The current owners have extensively renovated and it is now available to extended family of our booked couples.

The house sleeps 6 adults (+2 others/children in bunk beds if required) and is available at £1,250 for a weekend booking from Friday afternoon to Sunday morning. This can possibly be extended to a weeks stay on request.

We oversee the rental for the owners and it is generally available all year round, with the exception of the main school holidays inc Easter and the Summer Holidays.

If you would like to add Watergate to your booking please let us know and we will check the availability for you. Watergate can be booked as late as 6 months before your wedding.
